ANYTIME. ANYWHERE.

What OTT developed by Oxford University Press (OUP) India offers

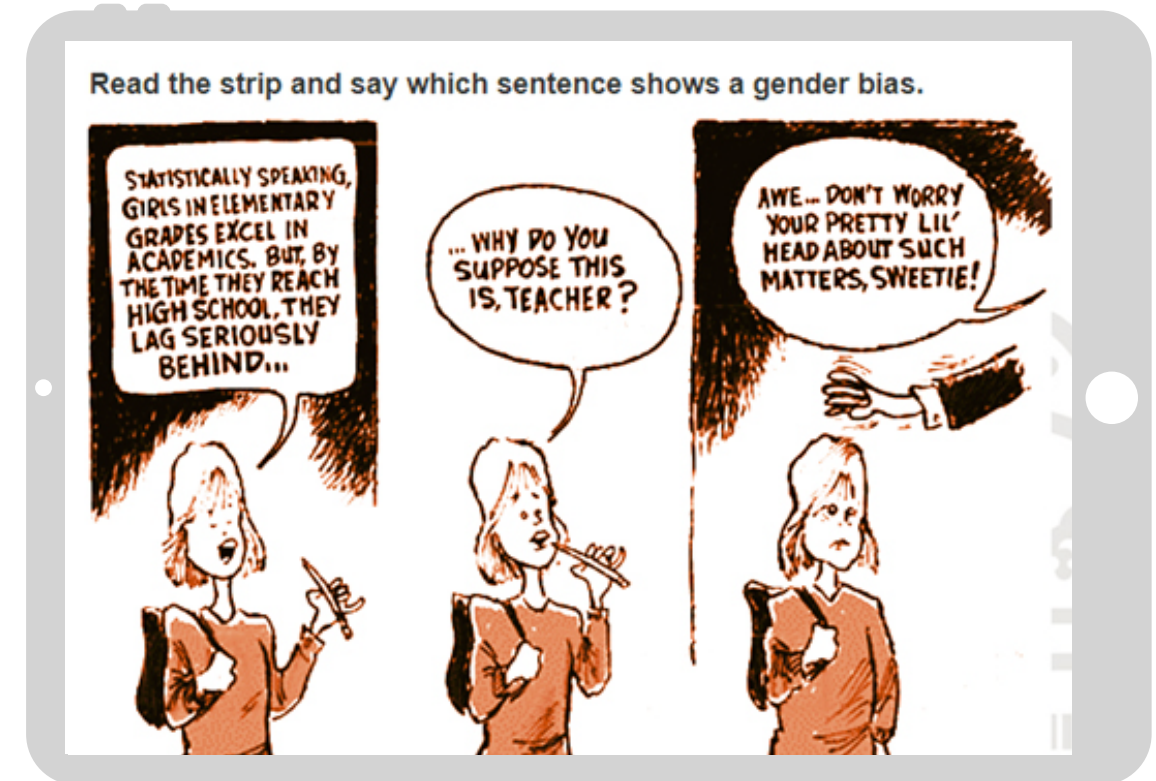

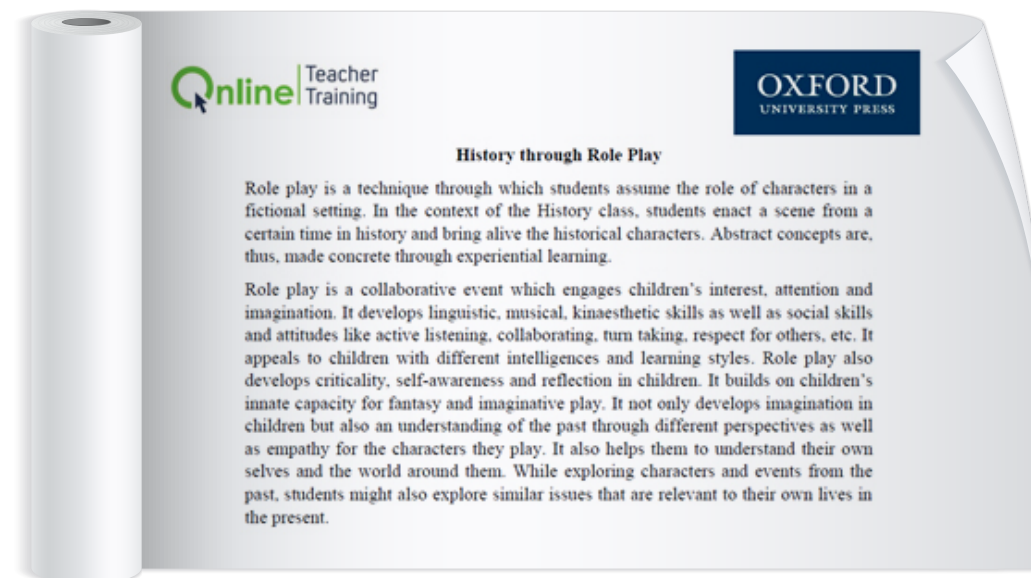

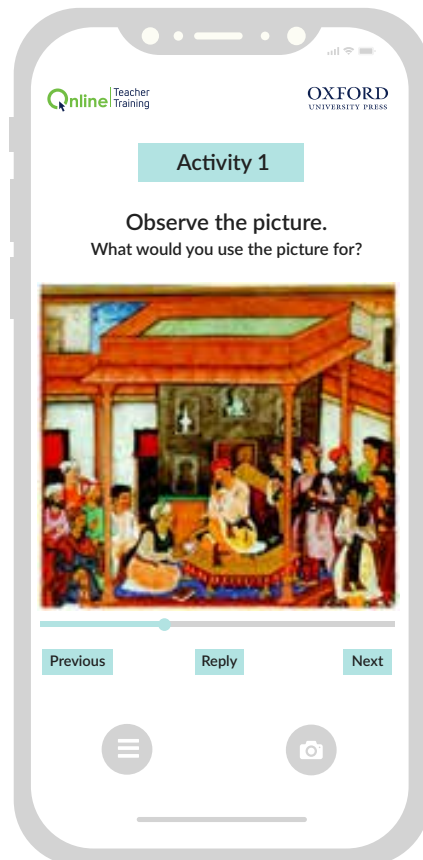

ANYTIME. ANYWHERE.

Online Teacher Training

- ▶ is an online portal,
- ▶ is fully interactive including quizzes and activities, with downloadable certificates of achievement and handouts,
- ▶ provides bite-sized training modules, and fosters continuous professional development (CPD).

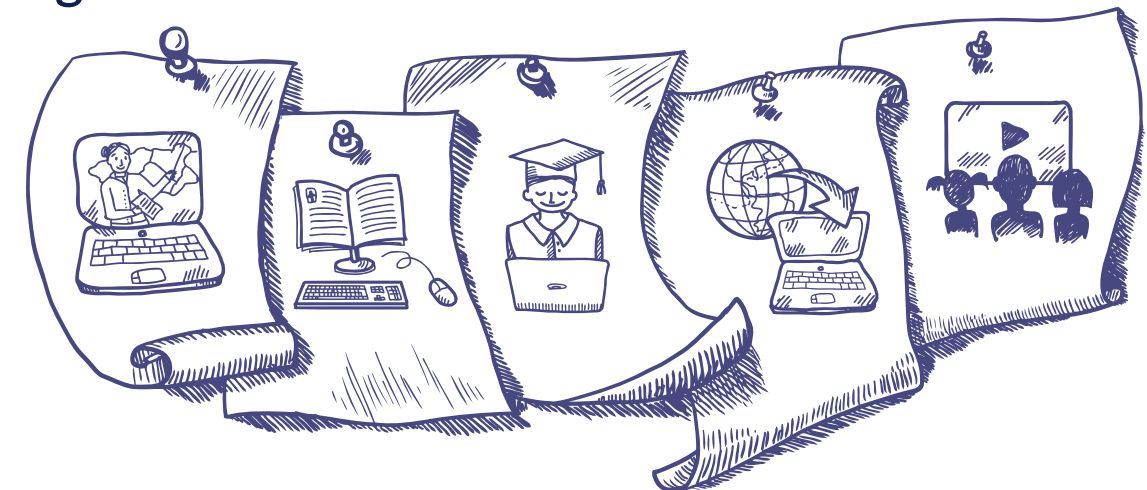

How are OTT modules designed to benefit teachers?

- ▶ Include implementation details for pedagogical issues that are required for classroom teaching
- ▶ Provide teachers knowledge of how various classroom strategies may be implemented by:
 - Showing authentic video clips from classroom teaching
 - Providing explanations and demonstrations by a subject expert
 - Showing a wide range of examples and elucidations from textbooks being used in the classrooms, illustrations of exercises, tasks and activities
 - Presenting sample lesson plans to show the structure and stages of a lesson for a clearer understanding
 - Showing entire lesson plans being transacted in classroom to make teachers aware of how specific things need to be taught, thus expediting internalization of such processes

How are OTT modules designed to benefit teachers?

- ▶ Check comprehension and capacity to apply concepts through review activities based on content
- ▶ Access concept application, with immediate feedback through embedded interactive quizzes like
 - Multiple Choice Questions, True and False, Match the following with drag-and-drop option
- ▶ Provide certification from OUP with learning outcomes mentioned
 - OTT modules maintain standards of achievement by generating certificates only after the user scores >70% in the quizzes
- ▶ Provide certificates accompanied by module handouts

Vocational Education and Training

- ▶ DIDAC India is the only exhibition and conference in the country for Educational Material, Training and Technology-based solutions for all levels and sectors of the Education and Training Industry.
- ▶ It is partnered by the Ministry of Skill Development and Entrepreneurship (MSDE), Ministry of Human Resource Development, NITI Aayog, AICTE, NCERT, and National Institute of Open Schooling.
